The pleasant atmosphere that surrounds them has taken the edges off of our school work and has helped to make each school year go quickly.

the junior class

has been more than active all year, as the busy calendar proves. Dragging their yellow ties behind them, our Juniors launched bravely into a year filled with money-raising projects and fun for fun's sake all around. To illustrate: they held two rollicking slumber parties, and early in December gave a surprise birthday party for one of their classmates. They sponsored the annual Junior Red Letter Week, climaxing it with a dance. The returns were so gratifying that they declared any Junior even threatening to look somber would be subject to a kangaroo court. They held a Dutch Auction in cooperation with our beneficent Mother's Club and even gave a special student-written, student-produced play at the February assembly. All this was for a

purpose—to finance two of the main events of the year, the Junior Promenade and the Junior-Senior Tea.

Yet our Juniors did more than take in money. They generously gave of time and effort for the vigorous support of the Junior Red Cross and March of Dimes campaigns. At Christmas time they gave boxes of baby clothes to the White Shield Home.

All in all, they earned their class weekend which became a reality on May 2-4 at Cannon Beach. Two fun-filled days of nothing but pleasure did much to break the tension of the final push to end the last quarter. So, with the hearty blessings of the graduating seniors, they assume that long-awaited honor, the key position in the student body

the sophomore class

started the year with a "get-acquainted" party at Jackie Howard's home. This was such a success that the president, Nancy Cannon, soon followed the example with a slumber party at her home, November 3. The annual Valentine dance, "Sweetheart's Ball," was sponsored by the sophomores. This dance was one of the prominent events of the year. The decorations, a myriad of cupids and hearts, framed a background for the King, Larry Moyer, and the Queen, Jackie Howard.

On March 28, the sophomore class gave a parcel post sale at the Mother's Club meeting. Being a class who in the past had exercised an unusual amount of initiative, they soon took on the new project of selling candy and cookies for the Junior Red Cross fund drive. The finale of the year came when two slumber parties were held at the homes of Jackie Howard and Pat Russell.

Our hats are off to this class, who generously donated money which they had planned to use for their class weekend to the March of Dimes so that others less fortunate might have the chance to enjoy privileges which they have been denied.

entering our school as green as peas in a pod, have been roasted the delicate blue and red of St. Helen's Hall, signifying their membership into our student body. They have become an active part of our school, joining in all activities eagerly and enthusiastically. They gave generous support to all fund-raising campaigns both in the school and those carried on by outside organizations. To raise money for their weekend, they sponsored an assembly centering around a Tahitian theme. They also sold corsages at the Mother's Club Tea on December 12. They had a birthday party and a dancing party, not to mention the annual class weekend on May 23-25. It's hard to believe that today's buzzing and bouncing individuals will be tomorrow's, dignified seniors.

student body officers

are elected each spring to fill the offices of the student council for the following year. The president and treasurer are chosen from the senior class, the vice-president from the junior class, the corresponding secretary may be either a junior or sophomore, and the secretary is elected from the sophomore class.

student council

is composed of twelve girls. Five of these are elected by the entire student body. They are the president, vice-president, treasurer, secretary and corresponding secretary. Others sitting on the council are the class presidents, the president of Helenas, the Boarders' president and the Red Cross representative.

During the year the council is responsible for the March of Dimes drive, the representation of the school at regional conferences and the May Fete dance.

is the self-governing body for our boarding department of thirty-six girls. This group is elected annually and holds regular sessions at which house problems are discussed and punishments or rewards meted out. the may fete

traditionally celebrates the coming of spring to the Hall. This year the Fete was carried through with a sixteenth century theme. A play, the "Princess and the Page," was presented by the senior class. The choir sang. Finally the scene was set for the coronation of the May queen and her court, who are chosen by the student body from the senior class. Patty Lewis, the mistress of ceremonies, crowned Queen Helene the First, and her court, Diane Drumb, Joyce Walker, JoAnn McDonald, Paula Barner, Leslie Wilkins, and Molly Cashin were presented. The president of Helenas, Diane Drumb, "tapped" the prospective members of the club.

Following the coronation ceremonies a reception was held by the queen and her court, and at last the court and the queen led the first dance of the evening in the gym. The royalty and their guests enjoyed a full and beautiful evening.

junior red cross

has done well this year. Gifts for the Junior Red Cross Christmas Store were collected at Thanksgiving and at Christmas time others were sent to the White Shield Home, Albertina Kerr Baby Home, and the Old People's Home.

The sophomore class donated a hand-knitted afghan to be used in the veterans' hospital and during the March fund drive the school collected a total of over \$250. Even bigger hopes are held for the coming year.

gaa

was organized to further interest in good sportsmanship and to promote school athletics. The GAA has played several basketball games with neighboring schools and staged a benefit game between boarders and day students to aid the Junior Red Cross Drive. The organization recently adopted a constitution, making provision for many more activities in the coming year.

the

department

at Christmas time each year presents a Nativity play. In preparation for this traditional activity the entire school — students, faculty, and the household staff — selects "Mary", who is chosen for her outstanding Christian character. Our "Mary" for this year was Shirlee McGreer, a junior.

In the spring, it is traditional for the senior drama class to present a class play. This year the production, "The Princess and the Page," was included in the May Fete as a part of the Coronation of the Queen.

SENIOR CLASS HISTORY

In the year of our Lord, one thousand, nine hundred and forty-eight, the "good ship" St. Helen's signed on eleven new members of the crew. Shipmates in this "Freshman Division" were: Mary Ann Bailey, Diane Drumb, Georgie Dietz, Betty Ann Garner, Pat Lee, Doyle McKenzie, JoAnn McDonald, Rica Husa, Ellen Walter, Leslie Wilkins, and Nancy Moulton.

Doyle McKenzie..... *Division Commander*
Leslie Wilkins..... *First Mate*
JoAnn McDonald..... *Keeper of the Log*
Diane Drumb..... *Finances*

These new "sailors on our ship of learning" brought with them a new tradition that has become an important part of the ship's schedule — the freshman class week end. This initial "liberty" met with such success that it is now an annual event.

The next year brought great changes as freshmen became sophomores. Six of our shipmates transferred to other vessels and we signed on four new ones. New members of our crew were Audrey Welch, Janet Wineberg, Ann Williams and Violet Hope.

Leslie Wilkins..... *Division Commander*
Audrey Welch..... *First Mate*
Doyle McKenzie..... *Keeper of the Log*
Ellen Walter..... *Finances*

During our sophomore cruise we sailed to Long Beach, Washington, for our week end. A Valentine formal sponsored by the "division" was a great success. After a mighty battle we emerged victors in the "ship's" Junior Red Cross drive.

Our junior year brought more activity than ever. We lost two shipmates but signed on Molly Cashin, Paula Barner, Helene Fischer, and Joyce Walker. JoAnn McDonald and Diane Drumb, who were not aboard our last cruise, sailed with us again.

JoAnn McDonald..... *Division Commander*
Janet Wineberg..... *First Mate*
Diane Drumb..... *Keeper of the Log*
Ellen Walter..... *Finances*

Looking through the log we see Red Letter Day, a brief reign of legal piracy and an event which we, the class of 1952, take the credit for having initiated as a new tradition. There were parties galore, and the class week end at Cannon Beach. Then there was the biggest and the greatest, the Junior-Senior Prom.

For our last cruise we signed on five new crew members: Garland Sorenson, Bonnie Sparks, Sally Cohn, Janet Ross and Geri Filion. We sponsored the annual Christmas dance and once again copped honors in the Junior Red Cross drive. There was the famous day we abandoned ship under cover of early dawn and spent a glorious "liberty" at the beach. And then there was our week end at Newport, our last memorable fling as shipmates.

Leslie Wilkins..... *Division Commander*
Janet Wineberg..... *First Mate*
Helene Fischer..... *Keeper of the Log*
Molly Cashin..... *Finances*

Now we are seniors, at the helm, and on our final cruise. With the cheers of the crew ringing in our ears we leave this good and faithful vessel — to sign on another ship — for another cruise — on another sea.

SENIOR WILL

WE, the Senior Class of 1952, being of sound mind, body and memory, who toil industriously, once in awhile, so that we may be allowed to finish our days at this institution of much teaching, learning and knowledge, this month of June, in the year nineteen-hundred and fifty-two, do forever dispose of the worldly possessions that we no longer want in the following will:

ARTICLE I

To our much-loved faculty, we give our utmost thanks because they let us graduate in the customary four years.

ARTICLE II

To the Juniors we leave the annual, the school paper, and the title "SENIORS". Also, we extend to them our "Traditions", such as they are, and hope that they will be cherished and passed on.

ARTICLE III

Now, as we are going to depart from this institution as students, and never to return (the teachers hope!) we make our last will and testament to be executed by all those who receive benefits:

- I, Paula Barner, will my midnight oil to Mary Ellen Coleman and my extra ski poles to Suzie Holley.
- I, Molly Cashin, leave a certain black wig in "Coppelia" to Pat Clancy, knowing that she will never let her hair grow that long; also let it be proclaimed that nobody is getting my pin, I am taking it with me.
- I, Sally Cohn, will my bottle of green wave set to anyone who is scissor-happy, hoping that she will use it as faithfully as I have for the past two years; and my good behavior record to Karen Peterson.
- I, Diane Drumb, will to any deserving underclassman, my well-worn brogues, products of my freshman year.
- I, Geri Filion, will my natural blond streak to those who have to resort to the Purex Bottle, and my original French translations to Darlene Drake.
- I, Helene Fischer, being slightly myopic, will my modest fortune in Japanese yen to a scholastic fund to a student named Jones from Lower Slobovia and my love letters (all 450 of them) to Karen Peterson; and to Barbara McGraw, my tantalizing collection of signs.
- I, JoAnn McDonald, will my attraction to "Irish Lads" to my little sister, Sharon Ford; and my passion for "Red Tootsie Pops" to the BIG BLACK MAN.
- I, Doyle McKenzie, will my place in the choir pew to Patty Lewis, and my "liddle yellow rabbit" to Helen Farmin.
- I, Jan Ross, will my ambition to be a journalist to Chloe Kitt, and my suppressed desire to initiate all incoming freshmen, namely, my sister, Margo, to Mary Stewart.
- I, Garland Sorenson, will to Sara Bosatti all the energy which I spent in fruitless attempts at dieting; to Diana Barnard my poodle cut and the agonizing days I spent trying to make my hair grow.
- I, Bonnie Sparks, leave my ability to get rid of engagement rings to Pat Hedin, who will probably need it . . . but DICK!! I keep!!
- I, Ellen Walter, will my translations of Caesar to anyone who doesn't care what kind of grades she gets.
- I, Joyce Walker, will my Boris Karloff haircut to anyone fool enough to let Pat Hedin or Shirlee McGreer cut her hair; the problems of the boarding dept. to next year's Boarders' prexy, (plus a box of aspirin - with the hope that she isn't allergic to them); and my BLACK AFRICANS to B.J. and Paula Griffin.
- I, Audrey Welch, leave . . . and will my long-winded, long-distant phone calls to anyone who can afford them - I couldn't (my poor incidental and Mrs. McDonald!); my "PASSION" for "THE" places in San Francisco to Shirlee McGreer - I know she'll overuse the welcome - and my ability to drag Ukiah's Main street to "Little Girl Alicia . . .
- I, Leslie Wilkins, do hereby bequeath and will any ski enthusiast all my love for the ski patrol, charreusse and black Fords, and also my brief (?) conversations in ye ole phone booth.
- I, Janet Wineberg, will my place at the race track to anyone who wants to earn or lose some extra dough, and my letters from Herbie to Geri Barry.
