Dear Pat,  
I will never forget you,  
and all the help and confidence  
you have given me through  
these past two years. Through  
you I feel I have made a  
good friend, not for just  
now, but the future too.  
Luck & Love,  
D. C. H.

Dorothy Jane Herman

Dear Pat,  
I've certainly enjoyed knowing  
you all these years at the Hall, Pat,  
and won't forget you. Always our  
star-athlete, honor student, and  
executive. I think our class has  
really had good times together in  
spite of every thing. I know I  
won't forget the good times I've had  
at the Hall.  
Lots of luck.  
Shirley

Dear Patty,  
Associating with you  
through high school has  
been an experience I  
shall never forget. For  
it has made my school  
days very pleasant  
and happy.

Love,  
Hanceyann

Dear Pat,

We have had a perfect year with you as our

the girl who carried all the worries.

Love and luck always,

Sorry, we didn't have more time  
to get acquainted. But you have  
always been friendly.

From one future doctor to another,  
I hope!

Dearest Dad,  
 Words can't say  
 to just what I'd like  
 to say here in this  
 brief space - — — maybe  
 shall we try? — — — who knows -  
 those lovely melodies? To one of  
 it. And I know we will have  
 lots of later on, will have  
 a certain day - when the bells are  
 ringing for me and my guy!  
 Love  
 May-J

Kinda topsided isn't it!

Pat . . . . .

Maybe some day we will be working in the same medical unit but I wish you the best of success in your chosen profession and luck with life.

Dear Pat -

If I had power, as a graduating senior, to make wishes and have them granted, one of the most important would be a wish for happiness and success for you. Through your personality, character and many good qualities, you deserve it.
